Guided by the belief that proper disposal of prescription medication is an essential activity in every community, the Pitch Your Pills campaign works to prevent abuse, protect the environment and prevent accidental poisoning. As a public awareness effort lead by the Seminole Prevention Coalition, it seeks to ensure that all residents of Seminole County are informed about the benefits of proper drug disposal and have access to a safe, convenient and environmentally friendly way to dispose their unused Rx and over the counter medications.

For additional information on the Pitch Your Pills Campaign, please visit our website: SeminolePreventionCoalition.org/pitchyourpills
